

We have scheduled a Pole Clinic with Ken Smith of Clarkston, Wash. We hosted this clinic in 2004 and it was very good. There is a lot out there about barrel racing clinics, but I rarely hear of many pole clinics. The following is information about the clinic. If you want to find out more about the techniques Ken will be teaching, go to his website www.sunrisewest.com and select barrel and pole help.

Dates: February 3rd, 4th & 5th
Clinic Fee: \$275
Deposit \$175 due by Jan 6th, non-refundable. I have not advertised this clinic yet, those who have verbally committed to me get first chance to get in this clinic.
